NCDFI family takes immense pride in this well-deserved honour and extends its warmest congratulations to Dr Meenesh Shah Chairman, NDDB & NCDFI, on being honoured with the prestigious AGRI100 Krishi Jagran Agriculture Leadership Award 2026.

This distinguished recognition celebrates Dr Shah's unwavering commitment to strengthening the dairy cooperative movement, empowering farmers and advancing a resilient rural economy that continues to inspire the agricultural fraternity across the country.

May this recognition mark yet another milestone in his inspiring journey of service, leadership and nation-building.

NCDFI welcomed Shri A Praveen Reddy, Chairman, Mulkanoor Cooperative Rural Credit & Marketing Society Ltd. and Shri GC Reddy, MD, Karnataka Cooperative Oilseeds Growers Federation Ltd. (KOF), at its headquarters in Anand.

The visit provided an opportunity to exchange insights, share experiences and explore avenues for cooperation in strengthening market access, operational efficiency and technology adoption. Dr. Srinivas Sajja, MD, NCDFI, welcomed the dignitaries and discussed the ongoing initiatives of their respective organisations and opportunities for institutional collaboration.

NCDFI looks forward to building on these interactions to support cooperative institutions through technology-driven market solutions and digital transformation.

NCDFI is pleased to share that Shri Shaikh Ansar Ahamad, IAS, Special Secretary to the Government of West Bengal and Managing Director, West Bengal Cooperative Milk Producers' Federation Ltd. (BENMILK), visited NCDFI headquarters in Anand.

Dr. Srinivas Sajja, MD, NCDFI, welcomed the dignitary and presented an overview of NCDFI's functions and initiatives. Shri Ahamad expressed keen interest in NCDFI's IT projects and their potential to support dairy cooperatives in West Bengal. Discussions focused on how NCDFI eMarket and IT-enabled services could streamline purchase and sales processes and enhance operational efficiency.

NCDFI looks forward to strengthening its association with the dairy cooperative sector in West Bengal and supporting its evolving requirements through market and technology solutions.

NCDFI pleased to facilitate the signing of a Memorandum of Understanding (MoU) between HQ Eastern Command and the Waste Management & Recycling Society (WMARS), at a ceremony held in Kolkata. The MoU provides for the installation of six bailing machines at designated Army locations under Eastern Command, with support from Tetra Pak India through its CSR initiative.

The project will cover the installation, testing, commissioning and handover of the machines, along with training for personnel on their safe operation and the waste collection and recycling process. By compacting beverage cartons and flexible plastics, the initiative will help reduce waste volume and support the efficient channelling of recyclable material to recycling centres.

This initiative builds on the earlier collaboration between WMARS and HQ Northern Command, which saw 6 machines installed and personnel trained. The experience highlighted the value of practical training and improved waste handling in challenging, high-altitude locations.

NCDFI appreciates the support of HQ Eastern Command, WMARS and Tetra Pak India in advancing responsible waste management and environmental sustainability.

Dr. Srinivas Sajja, Managing Director, NCDFI and team, had the opportunity to meet Dr. Gouri Shankar Koner, Managing Director, Banglar Dairy Limited, and CEO, Paschim Banga Go-Sampad Bikash Sanstha (PBGSBS) and team at his office at the Animal Resources Development Department (Prani Sampad Bhavan), Salt Lake, Kolkata.

The discussion focused on the existing utilisation of NCDFI eMarket and future expansion opportunities through the portal to facilitate both purchase and sales activities.

Dr. Koner appreciated NCDFI's team for its work with Banglar Dairy and PBGSBS. NCDFI looks forward to further strengthening this collaboration and expanding the use of NCDFI eMarket to support efficient, transparent and technology-enabled solutions.

Dr. Srinivas Sajja, Managing Director, NCDFI, accompanied by the NCDFI team, paid a courtesy visit to Dr. Utpal Karmakar, Managing Director, West Bengal Livestock Development Corporation Limited (WBLDCL), and his team at the Animal Resources Development Department (Prani Sampad Bhavan), Kolkata.

The interaction focused on WBLDCL's initiative, launched last month, to facilitate purchase and sales activities through NCDFI eMarket. Discussions centred on the continuous improvement of services through the platform, with a focus expanding market access and delivering greater value to WBLDCL. NCDFI looks forward to further strengthening its collaboration with WBLDCL.
