#### Additional Notes

1.'0.1% TDS u/s 194 (O) will be deducted from seller's EMD on projected trade value at the time of issuance of Bid Evaluation Result.'

2.Security Deposit would be 5% on contract value which shall be released after successful completion of supplies.

3.*Testing Report from NDDB, CALF has to be submitted for the materials Live yeast culture and Protected Methionine.*

#### Important Note:

1. The supplier must remove rejected material within 15 days of notification. Failure to do so will result in a storage fee of 5 rupees per bag per month, added to the supplier's invoice. After 15 days, KMF reserves the right to consider the uncollected material as scrap and dispose of it without further notification.
2. Suppliers with existing running purchase orders must supply at least 30% of the order quantity to participate in subsequent Tender. Deliveries must be made in approximate weekly proportions, aligning with the schedule provided by the plant. Failure to comply will result in the bidder being barred from participating in KMF tenders through e-Procurement / NCDFl platforms for the next three months (Note: This clause applies to bidders who received purchase orders within the last 3 months from the tender opening date. It does not apply to other bidders).

**Important Notes for Technical Grade Urea :**

- Shall declare the source of supply with supporting documents.
- Shall provide the Undertaking form as per annexure 2 of the tender document - Self certifying that supplied urea is Industrial (Technical Grade) and free from neem content.
- Suppliers should directly procure and supply the Technical Grade Urea from GNFC/GSFC/Indian Potash Limited and should provide the documents (Direct dealership and resent invoices) regarding this or
- Supplier shall be direct importer of urea and must have imported at least 1000 MT Technical Grade Urea in last 12 months and must provide the documents regarding the same along with stock in hand details, showing minimum 80% of quantity, ready to supply stock to avoid production hampering at CFP's.
