

About us

National Cooperative Dairy Federation of India Limited (NCDFI), established in 1970, is an apex body of dairy/oil cooperatives. Its members include federal dairy cooperatives of states / union territories and National Dairy Development Board (NDDB) as its institutional member.

The primary objective of NCDFI is to facilitate the working of dairy cooperatives through coordination, networking and advocacy.

Major activities of the NCDFI are: Coordination of milk and milk product supplies to Defence Services; Providing Online Marketplace for Dairy Industry; and working for genetic improvement of cattle.

Total business transacted by the NCDFI during 2017-18 was ₹ 2,057 crores.

Adoption of technology and its application to ensure better returns to dairy cooperatives and in turn to milk producers has been the primary focus of NCDFI. One such initiative is NCDFI eMarket which was launched on June 10, 2015.

NCDFI eMarket facilitates the bulk sales of dairy commodities and procurement of required Raw/Packing/Chemicals for Dairy/Cattlefeed plants. This platform ensures transparent, fair, economic and faster dealings for all the members.

NCDEX eMarkets Ltd (NeML), provides technical & Business Development support to NCDFI eMarket.

Message

Mrs Shikha Srivastava, IRTS
Managing Director

“

Transparency and fairness in the transactions is the essence of any business. There is a need for transformation in the transactions of dairy commodities which are being handled in traditional way. Taking advantage of technological developments, NCDFI eMarket emerged as a very transparent and reliable platform for trading of dairy commodities.

I am happy to share that the Bihar State Milk Cooperative Federation Ltd, Patna (COMFED) is utilising the services of NCDFI eMarket right from its first eAuctions in June 2015. At the time when the Federation was overstocked with the dairy commodities, NCDFI eMarket enabled the Federation to explore new markets and comfortably off load the surplus. Realising the fact that the eAuctions had varied advantages over the manual tendering system in terms of wider base of participation enabling competition, reduced time cycle in accomplishing the trades and transparent dealings; we have taken a decision to route all of bulk sales/purchases of conserved dairy commodities through the NCDFI eMarket. It resulted in additional revenue generations to the cooperatives. Further, at the time of requirement, on our request NCDFI launched Reverse Auctions (Dairy) through which we could procure dairy commodities at competitive prices.

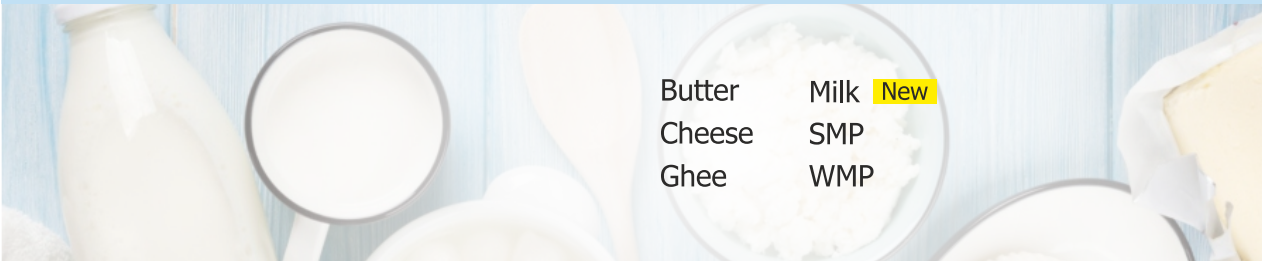

I am happy that the services of NCDFI eMarket are now expanded to Agricultural Commodities, Minerals, Chemicals, Sugar and Packaging Material. One of our Milk Unions, Deshratna Dr. Rajendra Prasad Milk Producers Union Ltd, Barauni has started purchase of Sugar from NCDFI eMarket. In future the Dairy Cooperative will venture in more areas of association with NCDFI eMarket, considering the better quality of products and services along with rate.

I congratulate NCDFI for successfully venturing into the eMarket to help the dairy cooperatives in maximising the producers' share.

”

Product List

Dairy Products

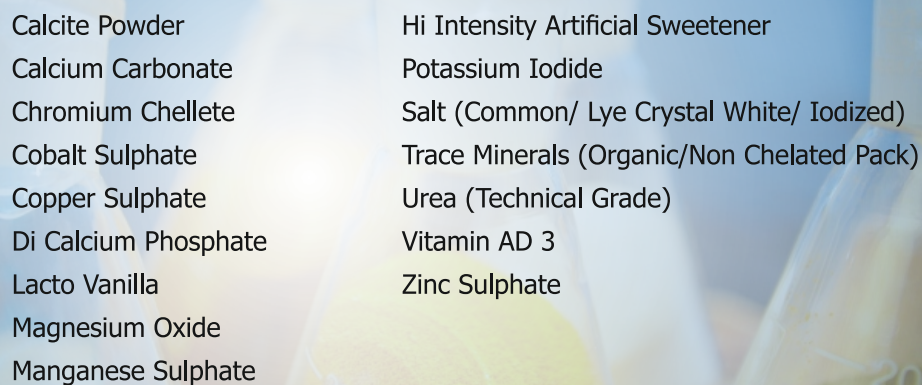

Butter	Milk New
Cheese	SMP
Ghee	WMP

Agri Commodities

Coffee Husk Powder	DORB
De Oiled Coconut Cake	Groundnut Extraction
De Oiled Cottonseed Cake	Guar Korma
