About us

National Cooperative Dairy Federation of India Limited (NCDFI), established in 1970, is an apex body of dairy/oil cooperatives. Its members include federal dairy cooperatives of states / union territories and National Dairy Development Board (NDDB) as its institutional member.

The primary objective of NCDFI is to facilitate the working of dairy cooperatives through coordination, networking and advocacy.

Major activities of the NCDFI are: Coordination of milk and milk product supplies to Defence Services; Providing Online Marketplace for Dairy Industry; and working for genetic improvement of cattle.

Total business transacted by the NCDFI during 2017-18 was ₹ 2,057 crores.

Adoption of technology and its application to ensure better returns to dairy cooperatives and in turn to milk producers has been the primary focus of NCDFI. One such initiative is NCDFI eMarket which was launched on June 10, 2015.

NCDFI eMarket facilitates the bulk sales of dairy commodities and procurement of required Raw/Packing/Chemicals for Dairy/Cattlefeed plants. This platform ensures transparent, fair, economic and faster dealings for all the members.

Telangana State Dairy

“

NCDFI eMarket is a unique platform for the Dairy Cooperatives which enables procurement of raw materials and sell the dairy products in an efficient and transparent way.

I take pride in stating that Telangana State Dairy Development Cooperative Federation Limited (TSDDCF) is the first to initiate the process of procuring the Materials like primary & secondary packing and dairy consumables. All the 80% of our dairy consumables are being procured through NCDFI eMarket.

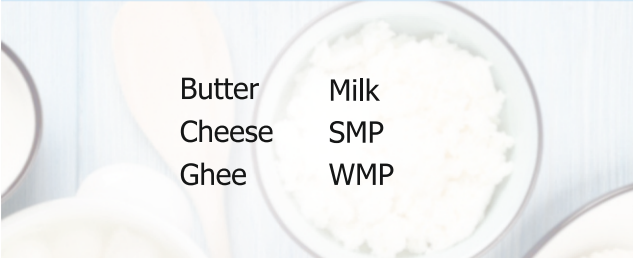

NCDFI eMarket platform has reduced the time and cost of material procurement. This platform has given us the confidence in disposing the bulk stocks like SMP and Butter. NCDFI eMarket proved to be a better way to help the Dairy Cooperatives to know the market rates for selling the stocks.

TSDDCF congratulates the NCDFI team for their continuous support and cooperation extended to the Dairy Cooperatives and we wish this will continue for the years to come, which will benefit the farmers of Telangana State Dairy Development Cooperative Federation Limited.
