About us

National Cooperative Dairy Federation of India Limited (NCDFI), established in 1970, is an apex body of dairy/oil cooperatives. Its members include federal dairy cooperatives of states / union territories and National Dairy Development Board (NDDB) as its institutional member.

The primary objective of NCDFI is to facilitate the working of dairy cooperatives through coordination, networking and advocacy.

Major activities of the NCDFI are: Coordination of milk and milk product supplies to Defence Services; Providing Online Marketplace for Dairy Industry; and working for genetic improvement of cattle.

Total business transacted by the NCDFI during 2018-19 was ₹ 2,177 crores.

Adoption of technology and its application to ensure better returns to dairy cooperatives and in turn to milk producers has been the primary focus of NCDFI. One such initiative is NCDFI eMarket which was launched on June 10, 2015.

The commodities being traded on NCDFI eMarket platform are Dairy Products, Cattle Feed Ingredients, Edible Oils, Fodder Seeds, Packaging Materials, Sugar, Chemicals, Scrap, etc. apart from Transport Services. This platform ensures transparent, fair, economic and faster dealings for all the members.
