About us

The National Cooperative Dairy Federation of India Limited (NCDFI), established in 1970, is an apex body of dairy/oil cooperatives. Its members include federal dairy cooperatives of states / union territories and the National Dairy Development Board (NDDB) as its institutional member.

The primary objective of the NCDFI is to facilitate the working of dairy cooperatives through coordination, networking and advocacy.

Major activities of the NCDFI are: coordination of milk and milk product supplies to defence services; providing online marketplace for dairy industry; and working for genetic improvement of cattle.

Total business transacted by the NCDFI during the financial year 2020-21 was ₹ 4,661 crores.

The adoption of technology and its application to ensure better returns to dairy cooperatives and in turn to milk producers has been the primary focus of the NCDFI. One such initiative is NCDFI eMarket which was launched on June 10, 2015.

The commodities being traded on the NCDFI eMarket platform are Dairy Products, Cattle Feed Ingredients, Edible Oils, Fodder Seeds, Packaging Materials, Sugar, Chemicals, Scrap, etc., apart from various service contracts. The platform ensures transparent, fair, economic and fast dealings for all the members.

Packaging is the science, art and technology of enclosing or protecting products for distribution, storage, sale, and end use. The Dairy cooperatives make use of Packaging materials as a coordinated system of preparing goods for transport, distribution, storage, retailing and final use of the goods by consumers.

For procurement of various Packaging materials through e-auctions with customized purchase terms, cooperatives can approach:

Type of Packaging Materials

Corrugated Boxes, HDPE Bags, Kraft paper bags, Poly Films, Crates, Pallets, Tins, Pet bottles etc. along with a host of other essential packaging materials.

Key Benefits of Packaging Materials for Dairy Cooperatives

Preserve the quality | Freshness of food product
Attract the consumer | Facilitate the storage and distribution
