

INFORMATION BROCHURE

National Cooperative Dairy Federation of India Ltd. (NCDFI), established in 1970, is an apex body of dairy cooperatives. and one of the 19 National Cooperative Societies notified by the Ministry of Cooperation, GoI. Its members include federal dairy cooperatives of states/union territories and National Dairy Development Board (NDDB) as its Institutional Member.

The primary objective of NCDFI is to facilitate the working of dairy cooperatives through coordination, networking and advocacy.

Total business transacted by NCDFI during the financial year 2024-25 was ₹ 6,122 crores.

Major Activities

Institutional Sales

Coordinating milk and milk product supplies to institutions i.e. Defence forces, IRCTC, ITBP, Assam rifles etc.

NCDFI eMarket

Online marketplace for bulk trade of Dairy/Packing/Agri Commodities, etc.

Genetic Improvement

Partnered with NDDB Dairy Services for distribution of Frozen Semen Doses

Developmental Activities

Organising capacity building programmes i.e. Trainings, Conferences, Seminars, etc.

State / UT Apex Cooperatives (29)

District Milk Unions (241)

Village Milk Societies (2.30 lakh)

Dairy Farmer Members (170 lakh)

Dr. Meenesh Shah
Chairman

Dear Esteemed Stakeholders,

It is my pleasure to present a comprehensive Information Brochure showcasing the convenience and value that the NCDFI eMarket platform brings to the dairy industry. Launched in June 2015 with the patronage of NDDB, NCDFI eMarket is a one-stop platform designed to meet all your sale and procurement requirements. Its customised solutions cater to the specific needs of buyers and sellers, ensuring a seamless and efficient trading experience.

NCDFI eMarket offers various eAuction types to accommodate the preferences of members. It is proudly associated with reputed organisations, further enhancing the trust and reliability of the platform. Its extensive member base spans across the country, facilitating a robust ecosystem for trade and commerce. It provides detailed insights into category-wise transacted business, allowing stakeholders to make informed decisions. Further, it ensures broad participation and higher visibility for eAuctions through dedicated Mobile App, emails, webpages, newsletters, physical outreach through representatives in 36 cities across 19 states/UTs, and Monthly Activity Reports for members. These efforts expand market reach, aid in efficient price discovery, generate extra revenue, save costs, promote efficiency, and foster a culture of compliance through audit-friendly operations and trust among users. In FY 2024-25, NCDFI eMarket concluded transactions worth ₹ 4,480 crores through 19,400 plus real-time eAuctions, spanning over 500+ products and services.

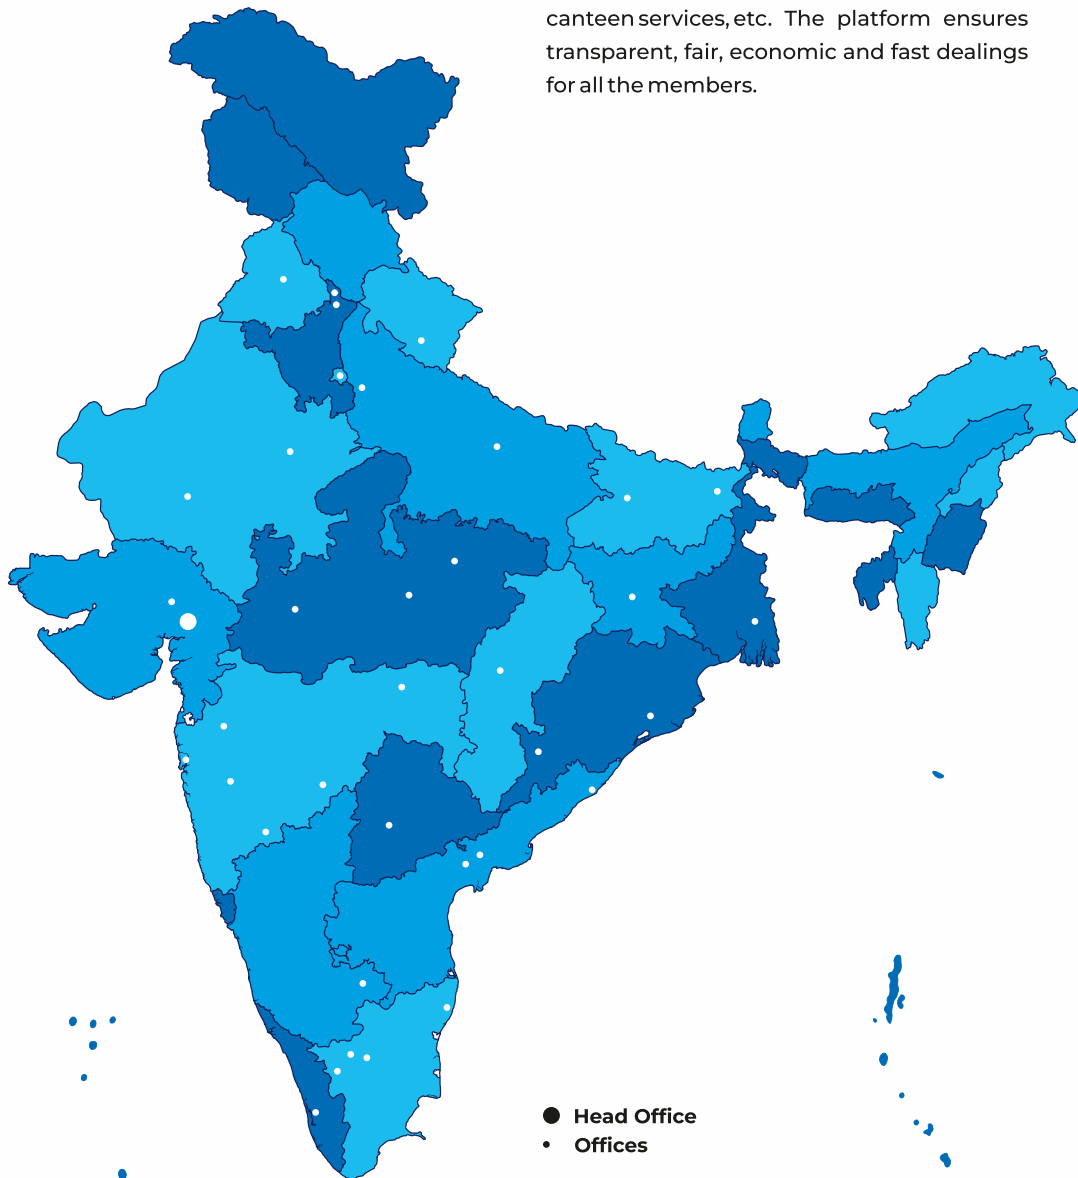

In fact, NCDFI eMarket is dedicated to fostering a dynamic and thriving marketplace for all stakeholders in the dairy industry. We deeply appreciate your consistent support and participation, which has been instrumental to our progress. NCDFI eMarket has been ever evolving and to take it forward, we will continue to proactively engage with all the stakeholders to expand our portfolio and bring about better efficiencies. Let us jointly revolutionise the effective and transparent digital trade in our dairy industry.

The adoption of technology and its application to ensure better returns to dairy cooperatives and in turn to milk producers has been the primary focus of the NCDFI. One such initiative is NCDFI eMarket which was launched on June 10, 2015.

NCDFI eMarket Offices

The commodities being traded on the NCDFI eMarket platform are Dairy Products, Cattle Feed Ingredients, Edible Oils, CapEx items, Polyfilm and other Packaging Materials, Sugar, Chemicals, Molasses, Scrap, etc., apart from various service contracts, such as the hiring of labour, transport, godown hiring, canteen services, etc. The platform ensures transparent, fair, economic and fast dealings for all the members.

Newly Introduced

Request for Quotation (RFQ)

A Smarter Way to Procure Now Live!

Advantages

Cost Efficiency

Encourages competitive bidding to achieve the best value for money.

Compliance & Audit Readiness

Maintain complete documentation to meet regulatory and internal audit requirements.

Data Security (VAPT Certified)

Regular security audits protect sensitive data and ensure platform integrity.

Transparency & Standardisation

Ensures fair, consistent, and traceable procurement through uniform processes.

Streamlined & Time Saving Process

Automates tasks and reduces manual intervention, speeding up procurement cycles.

Insightful Decision Making

Leverage analytics and reports to drive informed, strategic procurement choices.

Vendor Management

Track vendor performance, compliance, and history through a centralised system.

Customisation & Flexibility

Tailor RFQs to specific needs, project scopes, and vendor categories with ease.

National Vendor Reach

Access a broad database of verified vendors across the country for greater choice.

Process

Document Preparation

Define scope, specifications, terms, and evaluation criteria.

Defining the Supplier List

Identify and shortlist qualified vendors based on capabilities, past performance, and compliance.

Floating the RFQ

Distribute the RFQ documents to selected suppliers via a secure, transparent platform.

Supplier Query Resolution

Allow vendors to clarify doubts, ensuring better, more accurate responses.

Quote Submission

Receive bids from suppliers within the stipulated deadline, securely and systematically.

Technical Evaluation of Suppliers

Assess technical proposals against predefined requirements and specifications.

Commercial Bid Opening

Open commercial bids of technically qualified vendors in a transparent and traceable manner.

Commercial Evaluation

Compare pricing and commercial terms to identify the most cost effective and compliant offer.

Negotiation (if applicable)

Engage with shortlisted vendors to improve pricing or terms before final decision making.

Finalisation of Contract

Award the contract to the selected vendor(s) and formalise the agreement with defined deliverables and timelines.

Post-RFQ Feedback / Vendor Onboarding

Provide feedback, handle documentation, and onboard the vendor into procurement system.

Applicability

Service Contracts

IT support, housekeeping, AMC, security, consultancy.

Capital Expenditure (CapEx)

Machinery, equipment, vehicles, or infrastructure investments.

Operational Expenditure (OpEx)

Office supplies, consumables, utilities, and minor equipment.

Civil & Construction Jobs

Contracts for construction, renovation, plumbing, electrical, or other infrastructure related works.

IT & Digital Procurement

Hardware, software licenses, cloud services, cybersecurity tools, and development services.

Annual Maintenance Contracts (AMC) & Repairs

Service agreements related to maintenance, inspections, and repairs of systems and assets.

Consultancy & Professional Services

Hiring subject matter experts or firms for advisory, audit, training, design, or legal services.

Manpower & Outsourcing

Engaging vendors for temporary staffing, facility management, customer support, or field operations.

Logistics & Transportation

Procuring freight services, courier vendors, vehicle hiring, or delivery networks.

Utilities & Facility Management

Electrical, water treatment, pest control, cleaning, and landscaping services.

Hon'ble Union Minister, Shri Amit Shah Ji Inaugurates NCDFI's New Office Complex in Anand

Shri Amit Shah, Hon'ble Minister of Home Affairs and Cooperation, Government of India, inaugurated the new state-of-the-art Office Complex of NCDFI at Anand on July 6, 2025, marking a significant milestone for India's apex dairy cooperative organisation. The inauguration comes at a momentous time, coinciding with the 150th birth anniversary year of Sardar Vallabhbhai Patel, the completion of four impactful years of the Ministry of Cooperation, the celebration of the International Year of Cooperatives and the Diamond Jubilee Year of NDDB.

Prof SP Singh Baghel, Hon'ble Union Minister of State for Fisheries, Animal Husbandry & Dairying and Panchayati Raj; Shri George Kurian, Hon'ble Union Minister of State for Fisheries, Animal Husbandry & Dairying and Minority Affairs; Shri Shankarbhai Chaudhary, Hon'ble Speaker, Gujarat Legislative Assembly; Dr Meenesh Shah, Chairman, NCDFI/NDDB; Board members of NCDFI; and several other esteemed dignitaries graced the occasion.

As part of the 'Ek Ped Maa Ke Naam' campaign, Shri Amit Shah and Shri Shankarbhai Chaudhary also planted saplings, marking the occasion with a gesture of sustainability and reverence.

The complex will serve as a catalyst for NCDFI's digital transformation initiatives and will cater to the growing needs of its member institutions across the country.

Activity Reports

2024-25

Activity Reports that offer comprehensive insights into the trades concluded at 'NCDFI eMarket' during the preceding month are published on monthly basis. This is done to uphold the commitment to transparency and accountability, providing stakeholders with the necessary information to make informed trading decisions.

For the cover pages of the Reports during the financial year 2024-25, the chosen theme was "Iconic Rural Landscapes and Traditional Dairy Farming Practices" a tribute to the roots of India's dairy heritage.
